Hello viewers we want to say Happy New Year to all of our friends in the Eastern countries, in the Far East, people in Australia who are already in the New Year who share the same calendar with us.

We want to say amidst of the celebration, that you find time with the rest of the world to listen to what we are sharing today. I don't know how the last year had been for you, maybe there were moments where you felt you were cheated, you were spoiled, you were dispossessed of some things, and you were thinking this year you have made some resolutions, and you have your game on and you see to it that nobody cheat it.

I want to remind you of what we shared last week in Colossian Chapter 2 that say see to it, pay attention to that no man spoil you, no man cheat you. A translation was talking about cheating. So you really have to be smarter in the Holy Ghost this year that nobody cheat you of the benefits in Christ.

We were able to show you last week when we started this Knock Out Series where some will not even allow you, will not even get to know what the benefits are. Will not get into it. And that was when we are sharing the experience of the Israelites where they don't even get to that inheritance because of the people they listen to. (The ten spies will not even get to that new inheritance). And we see some in some cases, they get the inheritance, no problem with that in getting but you get wrong. Disposed of these benefits that is in Christ

And so today we are lifting the banner of God's Word in this Knock Out series so that we are going to give a fertile and deadly burst to every first ideologies, every misrepresentation of Christ, everything, every funny, every nonsense every non edifying, thump twisting right that is making us shallow and leaving us the same way year in year out.

As we started last week, we are talking about when is God visiting us? I remembered last week, last Sunday we stopped at John Chapter 8 verse 32. And I've come back to think about this verse ruminating on it, you know it came out in a very very different way to me because it was saying. This scripture was addressed to the Jews that believed. Before we actually thought that it was just for everybody, and everything, fine it was particularly address, it was addressing believers that believed that it is the

truth that you know that will make you free. I will like you to start from there before we continue. What do you have to say?

Viewers all over the world, with the last verse of the last part of the scripture where we ended on the last episode. Was John Chapter 8 verse 31 and verse 32. And I quote **“Jesus said unto the Jews that believed on his name”**

So please notice the audience they were the people that believed on the name of Jesus. It wasn't talking to people who don't believe. So John 8 verse 31 and verse 32 says Jesus said to the Jews that believed, that if you continue in my Words, Jesus was speaking to the people who already believed. So is one thing to believe in the name of Jesus, and is other thing to continue in his Word. And I said Jesus said if you continue in my Word, then ye will be my disciple indeed. It means there are disciples, and there are disciples indeed!

Then you will be, it means you will be metamorphosed from being my disciples and become my disciples indeed. So You see there are disciples in Words, you see that, that is why Apostle John spoke about this in John Epistle not the gospel of John.

1John 3:18

“My little children, let us not love one in Word, neither in tongue; but in deed and in truth”

The Epistle of John he said **“loveth don't let us love in Word only but indeed.”** It means these are not disciples by profession, these are disciples by the reality of how they live their lives.

So Jesus said, if you continue in my Word, and don't forget we said Jesus said this to people that believe in his name. You can read it in John Chapter 8verse 31 and 32. Jesus spoke to those that believed. He said if you believe now let's take it higher you need to continue in my Word.

And He said if you continue in my Word, then you become not just my disciple, you become my disciple in action. My disciple indeed. In action. Now He said then you will know the truth, and then the truth makes you free. Then you can walk free. So what we did say then is, so many Christians are in the situation where they have heard the proclamation of liberty that Jesus made in Luke 4:18 and the proclamation of liberty that the name of Jesus itself represent. Don't forget the name of Jesus itself

says the Bible says **you should call his name Jesus why, because He shall save his people. (Matthew 1:21)**

That name Jesus itself means liberty. And Jesus said if you believe that you need to continue in my Word. And it is the Word that you continue in that will make you know the truth and it will make you free. So the reason then, why somebody who professes the name of Jesus might still be bound by the very things that Jesus came to die for is if you claim you believe but you are not continuing in the Word.

It means you need to continue to look into that Word of liberty. You need to continue to stay on that Word. You should think that Word, talk that Word, express that Word. Make that Word your daily food. Become crazy for the Word, the same way a baby will be crazy for milk.

In fact the Bible says desire the sincere milk of the Word. It's simply saying the same way a baby, a child would be so crazy to take milk it said we should be that crazy for the Word. Unless that happen to us, it is one thing that we believe in the name of Jesus, is a whole different thing if we walk free in that liberty.

And Jesus said in John 8: 31 and 32 the connection between believing in the name of Jesus and walking free, He says that connection is to continue in the Word.

So I think as we go into the new year 2017, is a time for believers who don't want to be merchandized, for believers who don't want anyone to cheat them after their inheritance in Christ. It's time for us to labor in the Word. The Bible uses the terminology laboring in the Word. It is a responsibility of those who don't want to be cheated out of their inheritance that they have in Christ in Jesus. So that is where we did stopped in the last episode.

Yeah we will continue in that same spirit we are saying when is God visiting?

If you missed last episode.

I mean you see if you missed the last episode. What we are Knocking Out, you see this is a Knock Out series, what are we knocking out? What we are knocking out is the perception or the question if you please, that simply says **Does God has a set time to visit you? Does God have a day of visitation? Are you supposed to wait on a particular day that God has promised He's going to show up in your life?** And you see that's the question we are answering and we are knocking out ideologies- false ideologies in the church that surround the visitation of God, that surround the timing in which God visits his people. That is what we are knocking out.

And we've actually gone through in last weekend. We had two episodes. We've gone through different aspect of the scripture. We had a look at Colossian Chapter 2 from 8-16. We also gone through Luke 4 verse 18 and all these things we've seen how Christ himself actually did say to us how we should walk in God's visitation and time.

Today we are making progress with what we've done so far. So today I want you to sit back and actually follow us as we begin to dig deep into the mindset of God in answering the question **does God have a set time to bless you?**

I know the today is the 31st Dec 2016 and people are hoping, and for some people in Australia and other parts of the world are already in 2017. For those who are still in 2016. Some people will be in church today, hoping that today is the day of God's visitation. Some people are waiting for the next convention, or the next church conference. Hoping it will be the time of God's visitation. What does God have to say about such mentality? And please before we continue today, you might be wondering why are we so concern about this kind of question? Why does it matter that we answer this question? Of course if you joined us last week. When we talked about Col 2:8-16, the Bible tells us there are ideologies, there are traditions of men, there are concept in the body of Christ, that can deny you and I from the benefits of the Cross, from the benefits of what Christ paid for. In fact it said don't let anyone cheat you out of your benefits in Christ, I'm quoting Colossians 2: 8 he said let no man cheat you out of your benefit in Christ by false ideologies and philosophies of men. It means there are philosophies there are thinking patterns that you can have, that can deprive you of that benefits. That is the reason why this topic is so important to us.

Now we will carry on from John Chapter 5 we' are looking at an event in history.

This is not a story, this is not just some kind of folklore. This is an actual event in history. John Chapter 5. I'll start from verse 1

John 5:1-4

- 1. After this there was a feast of the Jews: and Jesus went up to Jerusalem.**
- 2. Now there is at Jerusalem by the sheep market a pool, which is called in the Hebrew tongue Bethesda, having five porches.**
- 3. In these lay a great multitude of impotent folk, of blind, halt, withered, waiting for the moving of the water.**
- 4. For an angel went down at a certain season into the pool, and troubled the water: whosoever then first after the troubling of the water stopped in was made whole of whatsoever disease he had.**

Now see what it says

After this there was a feast of the Jews and Jesus went up to Jerusalem

Now is at Jerusalem by the sheep market a pool which is called in the Hebrew tongue

That is verse 2

Now is important the Bible tells us is called **Bethesda** in the Hebrew tongue.

The reason why the Bible says Hebrew tongue is because, if you are a student of the Bible you will understand that the New Testament was written majorly in Greek. The original translation, some part were written in Aramaic which is a Syrian language, but most of the part of the New Testament was written in Greek.

But when the Apostle John was going to pen this down by the Holy Spirit. He specified that Bethesda was written in the original Hebrew tongue. And the reason is, he wants us to know the meaning of the Word Bethesda.

Now the Word 'Beth' means house, Bethesda-the original meaning of Bethesda is the house of mercy. "Thesda" means mercy. It means this place, this pool that Jesus was actually walking into is the pool of the house of mercy. Bethesda means house of mercy.

Now watch this!

The Bible says he came into the place call Bethesda where we have 5 porches.

Now when we keep saying Bethesda. Please keep in mind this is the house of mercy.

Now look at the next verse 3 says

In this house of mercy, can you see that, there lay a great multitude. You see that is a large number, a great multitude are laying in the house of mercy. At least, let me say this before we carry on and for those who understand what is call mercy.

Please let's clarify this for our listeners. The mercy of God is not human pity. Because a times when we say mercy we think pity. Is one thing when we say one thing in the Word of God, is whole different thing we clarify the picture that comes to the mind of the listeners'. The mercy of God is not like the pity of men. For example when things bad happen to people, people want to come around and say we feel sorry for you that is sympathy that is pity.

And you see the mercy of God is a lot different from human pity. The mercy of God is God's force in action to cause a change in people's life. for example if you notice the Bible will tell us about Jesus that He had compassion on the multitudes and that is

why he fed them with what? He fed 5000 men without counting children and counting women. The Bible says he had compassion on them, every time God shows His mercy something goes to work. There is an action to create a change.

Now Listen to this, there was particular person that when Jesus Christ healed him, Jesus Christ said go and tell the people how much God has had mercy on you. You see every time we talk about the mercy of God. God's power goes into effect to create a change. Is not human pity that just has sympathy on you and leaves you the way you are.

So these people will understand in Bethesda, they are in the house of mercy. Now in the house of mercy, there were multitudes.

The Bible says there were multitudes

Look at verse 3

In this, the “**this**” that means the house of mercy, lay a great multitude of impotent folk. Is that not a dichotomy? Is that not a contradiction? In the house of mercy, there are people lying there who are impotent, who has no capacity, incapacitated people in the house of mercy.

Now look at what it says, a great multitude of impotent folks of blind. Can you see, blind people, halt, withered. Waiting. That is the Word!

You see, people are in the house of mercy and we did say the mercy of God is God's power in action, is not human sympathy. So People are sitting down in the house of mercy waiting for what?

For the move, see what is said for the **moving of the water**. So people were waiting for the water to move. For God to move. They are waiting on God to move in the house of mercy.

Now the fact is that, next verse 4 says for an angel

Now the verse 4 is going to tell you and I the reason people are waiting for the move of the water. They are waiting for...

Look at verse 4, for an angel see the Word **for** is an explanation for why they are waiting for the water to be move. They are waiting because there is an angel that always come down at a certain season. Can you see that?

For an angel went down at a certain season into the pool. Now we understand the reason why people who were in the house of mercy are waiting for the water to move

because understand that God moves, God sent an angel if you please, an angel goes down to cause movement in the water.

Now that is the reason why they are waiting. So they are waiting for God to move. If you can look at it that way. Waiting for the move of God.

Now what is quite important is please, don't forget they are in the house of mercy. It means you can be in the house of mercy and wait for God to move in mercy. Which is a big contradiction, now you can be in house of mercy and still wait on God to move in the house of mercy. And I think before we go on from verse 4 to 5

Just because you have Christ in you, or just because the Bible says if anybody is in Christ is a new creation. You can be there with Christ in you and you in Christ and still be waiting on the move of God. Have you notice to what happen to the disciples when Jesus Christ said to them let's go over to the other side when they were in the boat (Mark 4:35). Have you listen what happen there, is even though Jesus was in the boat, and Jesus gave the instruction to go to the other side of the river, when the storm and the wind came up, what happened? They almost sat down because why? even though Jesus was in there, yet they had experience, they had something happen to them as if Christ wasn't there, until they said Oh, would you care not we perish. The fact we are trying to make is this, you can be in the house of mercy and still be waiting on God for mercy.

So here are people, the Bible they were in Bethesda, Bethesda is the house of mercy, yet they are waiting for the move of God. Now you see this move of God is so strange. This is the reason, the angel only show up at certain season. It means that it was beyond the control of people. You couldn't determine when God was going to show up. Now this is a problem, now you see they couldn't determine when God would show up. They couldn't be sure when this angel will come down. The Bible says the angel only come down at a certain season. I will tell you the reason. You see the reason why we had a guaranty nobody has any idea about the time the angel will show up is.

If you look at verse 7. The man said something to Jesus I want you look at what the man told Jesus. The man said, Bible says in verse 7 impotent man answer him

Sir, can you see that!

I have no man that when the water is troubled to put me into the pool while am coming another step in before me.

The man said you know Jesus... you would have wonder this man knew the particular know the angel would show up. This man should have go to the pool at that time and just roll over, and you see the man have no idea when the angel will show up.

Now let's go back to verse 5

And he says

There was a now

Verse 4 again,

“He says for an angel went down at a certain pool and trouble the water. And whosoever then first after the troubling of the water. Step in was made whole of whatever disease he has.”

Now let's really dwell on the issue of an angel showing up at a certain season to trouble the water.

Now let's make one point know for our listeners', listen! This troubling of the water wasn't done by man. It was supernatural. It was God. Because this is an angel of God. It's supernatural. Let's bless God for this system. Let's bless God for showing up in this particular way through an angel to bless his people from their infirmity. Now let's bless God for that. But listen the big question is, **why did God set up such a system for them? Why did we have God showing up in certain seasons and timing that nobody knows when and all you have to do is to be ready?**

These has been the reason why so many Christians, you know they have to think and says you know what, I don't want to miss certain program in my church, I don't want to miss any church conference, I don't want to miss any church convention, I don't want to miss any meeting we have in church. I never can tell when God, when the angel will trouble the waters. When the anointing is going to move. When the auction will travel through the man of God into my destiny. It means I think I need to make sure am always there in every single meeting. And you see, we've seen Pastors saying something, and saying you know what don't miss the next meeting because you are not sure when God will show up in your circumstance.

Now am saying this so that you can understand that your mentality and your thinking at the moment regarding God's visitation is the experience of this man in John Chapter 5.

Here was a man who was not even sure when the angel through God or God through the angel was going to trouble the water.

Now what am emphasizing at the moment is, it was God that set up this system. It was not man. And you see this system is even in the scripture you can check every single part of the scripture. You can see God moving in this particular pattern. For example something that comes to mind at the moment and I want us to explore that, is, we are going to go straight to the old testament under the old system of how God was moving among his people.

And you see, before we carry on, don't forget that Jesus is going to show up for this man. And Jesus showing up for this man is actually a contrast of systems. It's a contrast of approach of God because this man was already used to a system of how things should be done or how God visit his people. And the system that this man was used to is God's visitation that happens at certain seasons, at certain times, that you don't even know when it is going to happen, you just have to keep hoping it happens at the time that you were there. And that's the system that we have on ground and we are going to explore this particular system and see **how God set up the system and why God set up this system and how the same God who set up the system came to overturn that same system.**

Now that is what we are going to look at the moment, now quickly. I want you to open your scriptures and let's see what happen in Deuteronomy Chapter 8. We are still going to come back to John Chapter 5

We are just exploring this approach of God of sending an Angel at certain times and season to trouble the water to bless his people.

Now am going to read Deuteronomy Chapter 8 and let's see

Now quickly I want you to understand.

We are going to slow down today so that our viewers all over the world can get this Revelation.

Now before I read Deuteronomy Chapter 8 I'll tell you the reason why we are going to read Deuteronomy.

Now if you are a Christian, and if you are not even a Christian. I want you to listen to this clearly.

You see, we've heard about Egypt in the scripture and you see any time you heard the word Egypt mentioned in the scripture. It reminds us of the land of captivity of God's people. And you see, the book of Hebrew 11 speaks about Moses, we are not going to read that but I will quote it for you. Verse 26 thereabout.

Hebrew 11:26

“Esteeming the reproach of Christ greater riches than the treasures in Egypt: for he had respect unto the recompence of the reward”

The Bible says Moses chose to suffer the reproaches of Christ and Moses saw that it was more valuable than the treasures of Egypt. It means that that book of Hebrew 11 contrasted Christ as against Egypt. So its saying is either you are in Christ, if you are not in Christ you are in Egypt. That is what Hebrew 11 tells us.

We understand that Egypt is the type of the life that is not in Christ. That is the reality. It means if you are not in Christ, if you are living in sin. You are living in the world system. You are of the flesh.

Bible says that is Egypt. It means then when God take his people out of Egypt. We can look at the pattern of what happen to us now in Christ as to what happen to them when they are taking out of Egypt out of the land of captivity, out of the land of sin.

Now quickly that is the background of this.

Now see what happens in Deuteronomy Chapter 8 when God took them out of Egypt. Out of the system that we had on ground.

Deuteronomy Chapter 8 I'll read from verse one

Now I want our viewers to listen to this as we are bring something out of this.

It says, this is verse 2.

Deuteronomy 8:2

“And thou shall remember all the way which the Lord thy God led thee these forty years in the wilderness, to humble thee, and to prove thee, to know what was in thine heart, whether thou wouldest keep his commandments, or no.

And he humbled thee, and suffered thee to hunger, and fed thee with manna, which thou knewest not, neither did they fathers know; that he might make thee know that man doth not live by bread only, but by every word that proceedeth out of the mouth of the Lord doth man live.”

Now it says

And thou shall remember all the way which the Lord God led you this forty years

Now look at the leading of God. Don't forget that God led them out of the land of Egypt, which we did say is the land of captivity. Which we did say is the land of

bondage so if you are a Christian now, if you are in Christ, the Bible says where we came out from was the land of Egypt as a shadow of the reality. You came out of Egypt and God said he told the Israelites when I took you out of the land of Egypt for this forty years into the wilderness, to humble you and to prove to know what is in your heart so that you will keep my commandment or not, and verse 3 says

I humble you that is verse 3

Now it says, and suffered you to hunger and fed you with manna which you don't know. And your fathers didn't know so that you might make you know that man does not live by bread alone but by every Word that proceed from the mouth of God.

In summary let me tell you this, it means you see God has three ways anytime God delivered his people you come out of the land of Egypt and God takes his people through the land of wilderness and God says in verse 3 and verse 4 of Deuteronomy. God says the whole plan is not the wilderness, the goal is to take you into the promise land which is Canaan. Look at this, it is from Egypt into the wilderness, and from the wilderness into the promise land.

Now if you want to ask me a question. **Where is the promise land of a Christian? What is the goal of a Christian? What is the destination of a Christian?** Now if you read Ephesians Chapter 4, it tells us what the goal of a Christian is? It tells us what the promise land of a Christian is,

Ephesians 4 did tells us, it says it might reach the unity of the faith, that we might all reach the full stature of the measure of Christ. And I think we need to read that so that everybody can understand. Because we are trying to see the reality in the shadow. We are trying to see how God deals with his people under the old covenant. And God applies the same principle to us even though the method has change in terms of we are under a new covenant but it is the same pattern. Until we understand this correlation, we will not understand the issue about God's timing and visitation to his people under the new covenant.

Now please Ephesians 4 you can read that quickly, can you see don't forget we began in John Chapter 5 we have move quickly to Deuteronomy Chapter 8, we are going to explore Ephesians Chapter 4 and we would come all the way back again here.

Can you read from verse 11 please?

Ephesians 4:11-13

11. "And he gave some, apostles; and some, prophets; and some, evangelists; and some, pastors and teachers;

12. For the perfecting of the saints, for the work for the ministry, for the edifying of the body of Christ:

13. Till we all come in the unity of the faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fullness of Christ.”

We are reading from verse 11

So it tells us the reason why he gave some apostle, some pastors some teachers, some evangelist, and prophets. Is talking about the reason why God gave the fivefold ministry to the church. Now look at the reason can you go on please?

12. For the perfecting of the saints, for the work for the ministry, for the edifying of the body of Christ:

It says so that the saints can be perfected. That means that is the goal that is the focus that is where God is taking us to, that is our promise land. Now go on please

For the work of the ministry, for the edifying of the body of Christ. So what should happen? So what is our destination?

13. Till we all come

Can you see that? We are all coming somewhere. If you are a child of God, the Bible says since the day you gave your life to Jesus. Just like the Israelites were in a journey to go to the promise land, Bible says we also in Christ till we all come, we are coming somewhere. Where are we coming to?

To the unity of the faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fullness of Christ.”

The Bible says you have a destiny, people always says where purpose is not known abuse is evitable. I think the reason why so many Christians today just live life without focus we live life as if we have no destination. We abuse the grace of God because we cannot even articulate our destination and once you become born again, how come God didn't just take you away, and say wow! Since you are born again, you are a Christian. It's time to go to heaven. The reason why you God didn't do that is because you have a destination. You have a promised land. And Ephesians 4 verse 13 tells you your promise land, your destination. It says what? Till we all reach the unity of the faith, until we have what? Until we have the knowledge of the son of God.

Unto a perfect man, unto the measure of the stature of the fullness of Christ.”

Unto the prefect man-That is the destination. That is our promise land.

Unto the measure of the stature of the fullness of Christ. He says do you know what?

Where we are going to is, we'll get to a point in our life in our walk with God that everything about us is Christ. Our thinking is Christ, our imagination is Christ, our communication is Christ, our lifestyle is Christ. At the moment that is why Jesus talked about the parable of the sower sowing the seeds, some give thirty folds, some sixty folds, some hundred folds.(Matthew 13:23)

The reason for that is people are giving output at different levels. The Bible says we must all come to the stature of the fullness of Christ. Everything about us has to be Christ. We have a destination. We are on that journey already. And that's it.

Now listen!

We are comparing something. We are comparing this particular events in the Old Testament with what happens to us as Christians. It means then as soon as we leave Egypt - the land of sin and captivity. The next thing we move into is the wildernesses

Now listen!

This is what we are going to see that happen in the wilderness.

What happen in the wilderness? The Bible says in the wilderness what God did was to supply them manna. Supernatural manifestation of manna. That is what God gives them in the wilderness. And the Bible is going to tell us what happen in the wilderness is, the system in the wilderness will depend on the timing and the visitation that God himself decides when He wants to show up.

Listen He sent them manna, if you don't go in the morning to pick up the manna, if you go in the afternoon. You are done! It is gone. It means you just have to wait, you just have to wait until God shows up to do it.

And there is something that happens in the Exodus, am not going to read that, am going to quote the chapter. Please viewers you can go and study that. In Exodus 16, he says when God promise them, God told them he was going to give them quails by evening. He is going to give them manna in the morning, so the first day, there was quails in the evening. People gathered quails, the next morning they picked up manna, and they say what is this? It was like a Coriander seed. That is what happened. But you see! That was the last time they have quails in the evening.

After that, it was Manna every single morning. And somebody said comma I thought God show up the day before in the evening with quails and that's the reason if you take your time to read Numbers 11 that is why they began to complain, and said comma, where are the quails?, where are the meat? Because it was God that promise them that he is going to show up in the evening with quails. And God only show up one evening with quails and that was it.

Go and read in Exodus 16 you will see what happened there.

What am I talking about? In the wilderness, God made sure that they had to wait on the time and the season of His own visitation. In fact it got to a point where God told them on the Sabbath day which is the next day nobody should go and pick up anything. If you pick on the Sabbath day, nothing will show up. Some people actually went there the next day and they found nothing because this is determine by God.

You have to just wait on

Let's see when God will show up.

We don't know when He's going to show up.

In fact, for the quail, God shows up only one time until they complained and they said can God set up a table in the wilderness? Before God sent the quails again. It was just on God's timing and God said something. God said this is the reason why I did that.

And you see, let's continue

Look at what God said in Deuteronomy Chapter 8 verse 3.

Now God is going to tell us the reason why He set up a system where people have to wait on when God was ready to do his own thing.

Deuteronomy 8:3

“And he humbled thee, and suffered thee to hunger, and fed thee with manna, which thou knewest not. Neither did thy fathers know; that he might make thee know that man doth not live by bread only, but by every Word that proceedeth out of the mouth of the Lord don't man live.”

And he humble you...

Listen to that

And suffered thee to hunger,

Yeah

And fed thee with manna...

Ok

which thou knewest not

Ok

Neither did thy fathers know;

Ok

that he might make thee know

Ok

that man doth not live by bread only, but by every Word that proceedeth out of the mouth of the Lord don't man live."

Listen!

God said the reason why I had to make sure you waited for my timing to bless you on my terms when I want to bless you and you see at the season in which I choose to bless you. You didn't know when am going to show up.

God said the reason why I set up that system in the wilderness is that so you can learn to know that you will not live by bread alone but every Word that proceed from the mouth of God. So God is simply saying I did that so that you can learn.

Now am going to break this down for our viewers listening to this. This is very critical.

God said I want to give you opportunity, I want to give you enough time for you to learn, to learn to live by the Word. Now he now said this, you are asking a question, why is it that we have in the church of Christ today? Why in the body of Christ we have men that God has anointed? Men who has the auction of Christ. Men who can minister the gift of healing. Men who can minister the gifts of miracle. Men who can minister supernatural anointing to break yokes and you see the reason why God set up that system and you see the issue with that system is, is on God's discretion. Is on God's decision. That is the reason why we have people who go to church, Christians who depend on the gifting, and the anointing upon a man of God to help them to live their life. They depends on the gifting, or auction of these men so they can receive God's blessing through those men.

The reason why God moves by discretion in his own season and timing. God said the reason I've done that is so that you can have opportunity to learn, you can have the time. You see if God does not set up that system in the church, there are some

Christians who would have die before they learn on how to live by the Word, before they learn on how to lay hold on eternal life, before they learn how to lay hold of the living Word of God. They wouldn't have enough room. They would have died.

God said the reason why I set up the system in the wilderness, where I was releasing the manna, where I blessing you at the timing and visitation and season I decided on, is because I wanted you to have the opportunity to learn, to give you the room to develop in the Word.

And you see, that is what happens in the body of Christ today. That people are trying to substitute the benefits that God has given them to learn the Word, they are trying to substitute that for the gifting, the anointing of God through men's life and waiting on God's visitation and God's season at the time that God has decided. And this is where the problem is.

This is where the real problem is. So It means the reason why God does things like this is because, he wanted you and I to develop, to learn to live by the Word. And this is what God tells us in Deuteronomy Chapter 8.

So it says God is saying again the reason why am showering down blessings, the reason why am releasing my timings and visitation upon you is because I wanted you to have the time to grow and learn.

And what about what happens if you grow and learn to live by the Word that proceed from my mouth? Then that system is not needed anymore.

So going back to John Chapter 5

So there is abuse of the system then if you decided that you wanted to continue to live that way when that way was supposed to give an opportunity to learn the Word. It was meant to protect you and save you until you grow to learn the Word. That is why God set up that system.

If you notice God told them in Chapter 8 of Deuteronomy. God simply said by the time you come into the promise land, once you come to destination. Don't forget our promise land according to Ephesian Chapter 4 we have a promise land, the Bible says to come to full statue of Christ. If you get to that full statue of Christ, God says we wouldn't need that wilderness anymore.

We would need a case where... that is why He told in Chapter 8 of Deuteronomy. God said if you come into the promise land, you will eat bread without scarceness, you can walk the system if you get to there.

And this what God is having us to know. So if we go all the way back to John Chapter 5 which is where we started from today

If you've been listening to this, John Chapter 5.

If you go to John Chapter 5 from Verse 5 and now let see what happen in John Chapter 5.

John 5:5

5. And a certain man was there, which had an infirmity thirty and eight years

6. When Jesus saw him lie, and knew that he had been now a long time in that case, he saith unto him, Wilt thou be made whole?

And a certain man was there, which had an infirmity thirty and eight years

Now it says the man was there, there was a certain man who was in the house of mercy, who had an infirmity for thirty and eight years

When Jesus saw him lie,

When Jesus saw him lie there,

Ok

And knew that he had been now a long time in that case,

It means Jesus knew He had been there a long time. You see this place is so important for us to understand the fact that when we pray. I don't know what people think about Christ. If Christ is God, He's omniscience, He has all knowledge it means He knows everything that is why prayer is not just reporting to God about our situations like He doesn't know. In fact Jesus said your heavenly Father know what you need before you even ask him. It means prayer is more than reporting your situation to God. Jesus knew he was there for that length of time thirty-eight years.

Continue please

And Jesus said unto him, Wilt thou be made whole?

And Jesus said unto him, do you want to be made whole?

We are going to actually dwell on this which is very important. The reason why Jesus would have told this man would you be made whole is because Jesus is simply telling this man, do you know that your complete wholeness depends on your response.

And this is very important for you to listen to this, if you are listening to us on this Knock Out. The reason why Jesus asked him, would you be made whole? Is because Jesus was putting the responsibility of his wholeness on his response. That is why Jesus asked him that question would you be made whole? Don't forget this was a man that was waiting on God's visitation. He was awaiting for the moving of the waters.

Here was a man who was thinking to the old system of God. Who was thinking to the system that God said I only gave that system so that you can learn to live by the Word, to give you opportunity to live by the Word, here was a man who was in-between two system. He was in between the old system and the new system.

The new system has come. Christ has come into the house of mercy. Christ has come to Bethesda. And here was a man who was grappling between two different systems. And I see so many Christians today in the body of Christ who were struggling between these two systems. A system that wait on God's timing and visitation to show up on his own providence and a system that actually says if you want to be whole, there is something you can do straight away that can make you whole.

Jesus Christ asked him, do you want to be made whole? Now we need to really look at the system that Christ was talking about.

John 5:7

“The impotent man answered him, Sir, I have no man, when the water is troubled, to put me into the pool: but while I am coming, another steppeth down before me.”

The impotent man answered him,

Now don't forget the question that he was asked, he was asked a very simple question.

Do you want to be made whole?

Viewers all over the world, I want to ask you something I want you to look at this? If you ask someone do you want to be made whole? What is the time lapse? He didn't say do you want to be made whole next week? Would you like to sign a declaration that your wholeness would come next year? Don't forget that before Jesus met this man, if you were on our last series of Knock Out, I mean Knock Out two on last series.

We specified where Jesus said in Luke Chapter 4 verse 18 where Jesus gave his manifesto. Jesus gave his declaration, he gave his mission statement and said. **“the spirit of the sovereign lord is on me, he is anointed me to preach the good news to**

the poor, he has sent me to bind the broken hearted, he has sent me to declare release from darkness for prisoners, to open the sight of the blind, and to declare the acceptable year of the Lord the season of God's favour." And we said in our last episode if you listen to that, Jesus Christ sat down. It means He is saying this is the season, this season has not come to an end. And it means when Jesus Christ came to this man, He came with the season. Now listen He came with the season it means this man was looking at the situation where he had to wait on the visitation, don't forget that was also God.

Now I think if you are listening to this, you would understand that we have not come to rubbish that old system. The system where people have to wait for the next convention, the system where you have to wait for the declaration of the man of God over your life. That is also God.

But God is saying in Deuteronomy Chapter 8 that the reason I set up that system was to give you an opportunity to develop in the Word. So that you would not continue to live by that system, but live by every Word that proceed from the mouth of God. So here was Christ coming with a season, because He made a declaration of a season. **So here was a season talking to a man who was waiting on a season.**

We say that again, **here was a season, timing, timing was talking to this man, season was talking to him, and he was waiting for a season.**

Now look at this He says would you be made whole?

Now can you continue please?

The impotent man said, **Sir, I have no man, when the water is troubled, to put me into the pool: but while I am coming, another steppeth down before me."**

Now listen that is what we said here was a man who were tied up in season to a man. And I think that's what we've been trying to say, for Christians who want to live off somebody else's anointing. I think we are going to really clarify this because some people are thinking what we spoke on the last Knock Out episode, you are wondering that what are talking about? Have we not probably come to your church, or come to your ministry where somebody speaks and things happen. Where the man of God does his hand like this (wave his hand) and he declares and it affect people's destiny, or the man of God spoke to somebody's body and there was a complete healing in their body.

Oh we exalt the supernatural move of God, we exalt the fact that God has put gifting in the body of Christ. We bless the Lord for the gifting in the life of men, but the fact

is, if you continue to live your life where you depend off the gifting of somebody else' you will wait for your timing. You will be waiting because this man is trying to tell you and I through this particular event that happen in history that the reason why he has been there waiting for the season is because he connected into a man. He was waiting for a man.

So if you decide today, if you decided to continue to live off men's anointing, to live off the grace upon the man of God. It means then you would continuing to be waiting for the next meeting, wait for the next convention, wait for the next conference, wait for the next Holy Ghost service, wait for the next move of God because you are living off another man's gifting and anointing.

And you can wait a long time!

And now you see

Thirty-eight years! Do you know why the man he's been there? If you look at what the man said, the man said before I get there somebody else get there, have you notice

Please read

I think we need to read that

What is the next verse says

John 5:7

Sir, I have no man, when the water is troubled, to put me into the pool: but while I am coming, another steppeth down before me."

When the water is trouble,

Ok

So I have no man when the water is trouble to put me into the pool. But while am coming another step down before me.

You see that!

Do you know what that means, let me help you think about this? Please watch this! The Bible says there were multitude that were there. We don't know how much is multitude?

But I think listeners' all over the world, when we say multitude, we have to think of a large number. This man is claiming that out of the multitude is only one person that makes it.

Oh oh Wow! Only one person makes it!

Does that not tell you the reason why when you hear of testimonies of supernatural breakthrough in meetings or there was divine healing or there was a move of God. Look at the statistics is always that ratio of one out of multitude. That is what will happen to you when you live off the gifting and you wait on men to release into your life for you to walk in divine breakthrough.

Listen, I repeat it was God's system. This was set up by God. That system of having men who have gifting in the body of Christ to release grace into your life. God set up the system but you know why? God said the reason I set up the system was to give you the opportunity to learn to live by the Word. To grow.

If you don't take advantage of that opportunity to live by the Word, to determine your own destiny by yourself. It means then you will keep on waiting for a season and visitation of God.

I think before we actually rush through this, I think we have to slow down a bit so that our listeners all over the world can understand this.

And I think what comes to my mind at the moment, what God is ministering to my heart now is the Corinthians Church.

You see the Corinthians church, have you noticed listeners all over the world. Have you noticed that the reason why we have, why we understand that there are nine gifts of the Spirit? The reason why we know that, is because of the Corinthians Church. we won't have known about the giftings of the Holy Ghost, gift of Words of knowledge, Word of wisdom, gift of prophesy, the gift of healings, the walking of miracle, divers tongue, we would have had no idea about all these giftings if not for the Corinthians church. You can read 1Corinthians 12.

So the Bible tells us about the Corinthians Church in Chapter One

1 Corinthians 1:7

“So that ye come behind in no gift; waiting for the coming of our Lord Jesus Christ:”

He says they came behind in now gift. These guys were loaded. So we knew the gifts of the spirit. But you know what! This people even though these gifting were operating in their midst through those were gifted among them.

But yet, you would notice that in Corinthians 11 it tells us that yet some of them were weak, some were sick and some had slept. Can you see the word slept in there talks

about, is an euphemism for death. It means in this same church, people were just dying like chickens. That is in Corinthians Church, Why? That doesn't make any sense? Why? You know what? Because this people Paul said in 1 Corinthians Chapter One, they came behind in no gift. Are you telling me then, in the Corinthians church with all these gifting at work among their midst. People were still dying, people were sick, people were on the bed of sickness. This is the reason, the reason for that is, because when these gifting operates, when these ministrations operate through people. It was on God's discretion. If we have the time today we would have read 1 Corinthians Chapter 14 and Chapter 12 that tells us that God has minister these gifting as He wills.(1Cor12:11)

God said I set up that system but the reason I set up that system was to give you opportunity to learn the Word. That is why He said in Deuteronomy Chapter 8 I give you manna, I give you manna in the desert. I did something supernatural. I rain it down so that can learn to live by the Word. So is amazing that so many Christians instead of using the opportunity of these gifting in their life to learn to develop and live by the Word. What they try to do is to make these gifts an end itself and always wait on when the man of God will release the Word or when somebody operates in the gifts of the spirit prophetically, in deliverance and set them from their situations. If you continue with that system, the story of this man, not even a story, the event of this man's life in John Chapter 5 tells that when you are saying there is no man.

You know people... I mean

The reason why some people go from one church to the next church is because they think the man of God in that new ministry, in that other church when he speaks, things happen and I think I need to switch church.

Can you see! Because you know why? They keep saying the reason why I am the way I am is because there is no man. They are saying you know what, if you come to our ministry, you go to our church, that man when he operates in the anointing, things happen. And you see, people who do that, who switch from one church to the next church because of things like this, because they think that there destiny and there timing is tied to the gifting of a man.

Now listen! This man is simply saying the reason am the way I am, he told Jesus is because there is nobody to connect me to the visitation.

Yeah I will just interject in this place,

I know some men of God to have leverage on this system. Actually, is to your own discredit for that, they leverage on it and because of the gifting of God in them

they have not encourage you to grow and learn so you can determine the timing yourself, you can determine your own destiny by yourself.

They always leverage on I have this gifting, I have this, when I speak things will happen in your life and you know when you draw on them they can spoil you, they cheat you, they dispossess you of your money and some of those things because you are living off on them.

So is better for you to appreciate the second system of God in place, where you can lay hold yourself.

Was it the same Church Corinthians Church that Paul was addressing them to excel, charging them to excel?

You see I think

You said something I think we need to really look at what you just said. To tell you the situation that the Corinthians Church was.

I think you see

You know the Bible did say something to us about the fact that we need to discover ourselves in the volume of the books. That is what Jesus Christ said "I have come in the volume of the books and is written of me. And the Bible says in Luke 4:18 Jesus found where it was written concerning him about the prophetic declaration.

You will see you would see what the Apostle told us by the Holy Ghost the Corinthians church was located in the program of things

Now let's read 2Corinthians 8:15

You just mention something that is so important.

See the position where they were, the Corinthians Church.

2Corinthians Chapter 8, is good for us to have a look at that

Verse 15

And I want you to read Exodus 16:8

Those two at the same time

Let's see what the Word says

2 Corinthians 8:15

“As it is written, he that had gathered much had nothing over; and he that had gathered little had no lack.”

Now watch that!

Now here was the Apostle Paul speaking to the Corinthians Church this is the same Chapter where he says **see that ye excel in this grace as well** that is why am reading this

Paul is quoting something, and you see Paul quoted and lifted this verse, he applied this verse. Paul as a man of the Spirit applied this verse to the Corinthians church.

The question is where did Apostle Paul lifted this verse from, because he applied it to the Corinthians Church.

Go to Exodus Chapter 16 verse 18

Now viewers don forget we’ve just read 2Cor 8:15 where the Apostle Paul applied the scripture to the Corinthians Church. Paul is saying this is applicable to you in this season.

Exodus 16:18

“And when they did mete it with an omer, he that gathered much had nothing over, and he that gathered little had no lack; they gathered every man according to his eating.”

When they measure with an omer,

He that gathered much had nothing over

Oh oh

And He that gathered little had no lack

ok

That is it!

Paul said that is the exact verse. Paul quoted Exodus 16:8 to the Corinthians in 2 Corinthians Chapter 8 verse 15. So prophetically Apostle Paul was telling the Corinthians brethren that your life at the moment was in Exodus 16:8 in the volume of the books.

Now again if you listen a few moments ago, we said Exodus 6:8 is actually the place where God spoke to them in the wilderness. So we know where they were. Right in the wilderness. That is where the Corinthians guys were.

Now listen because this Exodus 16:18, if you read Exodus 16 from verse one, that's where they began to operate in manna in the desert, in the wilderness. So Paul was saying to the Corinthians church in 2Corinthians 8:15 you people are in the wilderness because am going to quote Exodus 16:18 which was a wilderness declaration to the Corinthians Church and that is why we know they are trying to live by the system of the wilderness. A system that says you know what if God was going to show up. Let God visits me, let God release the timing of God and am going to wait on God to show up in His timing, am going to wait for a man, am going to wait for the release of God to happen in my life. And you see, that is the point. The Corinthians brethren were living in Exodus 16:8

The questions to you listeners, viewers all over the world. The question is **are you still in Exodus 16:18? Are you in the wilderness? Are you living by a system that wait on God's timing? That depends on the providence of God to show up?** And you see if God doesn't show up there is nothing you can do. That is the reason why we said in Exodus 16, if you can read it, God promised to give them quail in the evening, and God gave them the quail in the first evening and that was it, there was no more quail. A system that wait for God to show up to trouble the water. That is a wilderness mentality as in Exodus 16:18 and 2Corinthians 15:8

So that is what we see where the Corinthians brethren were, and don't forget like we've said again no other church in the Bible actually was recorded to have such manifestation or auction and anointing as this Church were, I mean the Corinthians Church and yet many were sick and weakly and were dying.

And we are still being encourage to excel in grace

That is it!

Now let's go all the way back to John Chapter 5 and see a man that was grabbing between two systems of God, a man that was grabbing between two different ways in which God actually want us to actually walk in our timeing and season.

John 5:7b

“But while I am coming, another steppeth down before me

Ok!

8. Jesus saith unto him, Rise, take up thy bed, and walk

Before we actually get to the next verse

Now listen viewers all over the world. We have established on thing, the reason why you cannot afford to tie your visitation, to tie your season, to tie God's visitation in your life, the reason why you cannot afford to tie that to the gifting of a man is simply because if you do it works on probability.

So this man is simply telling Jesus every time I tried to wait on someone, and I tried to wait on the old system of visitation. It happens in such a way that if one person get it right by going into the pool, even if anybody goes later. Nothing else happens to them.

And that is the reason why, have you notice ever since you've been depending on this system of visitation. Have you noticed, some few people give testimonies of the move of God in their life, and you keep wondering how come, how can I determine if God was going to show up? And that's why a times when there is a declaration upon your life. People raise up their hand and say I hope is going to be me today, I hope am the one that will be the first to jump into the pool today. I hope am the one that will be the first person to make it today. If you continue with this old system, your life will be based on probability.

Can you see that?

Jesus asked the man, **Willyou be made whole?** Can you decide we cut of the issue of you waiting on God's timing and season? Because the season of God has actually come through Christ Jesus.

John 5:8

“Jesus saith unto him, Rise, take up they bed, and walk”

And Jesus said unto him introducing the new season, the new system

Rise, take up your bed and walk.

Now go on please

9. “And immediately the man was made whole, and took up his bed, and walked: and on the same day was the sabbath.”

Please watch the Word **“Immediately”** that word immediately stress the fact that the issue of the waiting time was completely taken off.

This is the reason that if you are a Christian. If you are born of God, if you are born again. The Bible tells us that Christ lives in you. You are not waiting on Christ on the outside. Christ lives in you, if anybody is in Christ, he is a new creation.

If anybody is in Christ, old things have passed away. So if you are a believer, Christ is in you.

And let me say this and I think most listeners, most Christians have this perception of Christ which we think we need to correct. You see, some people are wondering they are simply saying Oh we hope it would have been great if I was born at the time in which Jesus was physically walking the earth. How great it will be if I can meet this Jesus physically the same way this man had an encountered with Jesus Christ.

Now people says all this things like that. Now when we say things like that, it means we are not knowledgeable about the reality of the Word in this area. The Bible tells us in Acts Chapter 2

Acts 2:36

“Therefore let all the house of Israel know assuredly, that God hath made that same Jesus, whom ye have crucified, both Lord and Christ.”

Now listen to this

The Bible says this same Jesus, God has made him

Watch the Word!

both Lord and Christ.

This same Jesus. Can you see that?

God made him Christ. And the reason God made him Christ is because when he was Jesus in the flesh, he could just be with the disciples at a certain time and at a certain place. He couldn't be with them all the time. That is why Jesus Christ told the disciples it will better for me to go, if I go, it will be a better system. Because this time around, am going to live with you and in you. We have a better system than this man in John Chapter 5.

Now listen!

1Corinthians 15:45

“And so it was written, the first man Adam was made a living soul; the last Adam was made a quickening spirit.”

1 Corinthians 15 tells us again said the first man Adam was a living soul, but the second Adam which is Jesus was made a quickening spirit. It means what you receive at salvation. You receive Christ, you receive the quickening spirit of God unlike this man who was communicating with Jesus who was out there coming to him. In your

case, you have Christ living in you. It's a better system. It means then, you can decide to be whole when you want to be made whole by listening to that Christ who is asking you the same question living in you.

So Jesus told this man the reason why you have not been healed, the reason why you are still invalid is simply because you have not come to that decision if you want to be made whole or not. That is why we are asking the same question, **do you want to be made whole? The person who is call wholeness is the one that lives in you. The person who is call perfection is the one that lives in you.**

Colossians 2:10

“And ye are complete in him, which is the head of all principality and power”

The Bible says that you are complete him who is the head of principality and powers. So completion is in you. That is Christ.

If you now start to lay hold, if you continue in that truth, if you continue in the reality of that liberty which is Christ that lives in you. The Bible says you will walk free.

That is the introduction of the new system.

You will walk free if you listen, if you lay hold, if you continue in the Word of Christ that is in you.

Off course, lets clarify this for our listeners, ‘off course your external experience, off course your environment, off course your situations might run contrary to the liberty of Christ that is in you. That is not a problem because the Bible says in Romans Chapter 3 verse 4 **“let God be true, but every man a liar...”**

Let every man be a liar but let God be true

It means then whatever is your experience on the outside that doesn't lie up with the reality of Christ in you. That thing is a lie, and you have to agree with God that is a lie and the Bible says if you agree with God that is a lie you will see that the Word of God will frame your experience.

Hebrew 11:3

“Through faith we understand that the worlds were framed by the Word of God, so that things which are seen were not made of things which do appear.”

Hebrew Chapter 11 says by faith listen! We understand that the worlds were framed by the Word of God. The Word of God in your spirit will surely frame your experience but listen! The Bible says you have to continue in that Word.

That is why Jesus asked this man do you want to be made whole? Do you want to agree with me? Do you want to determine your season? Do you want to agree that the season has come? If you are a Christian the season lives in you already. The season lives in your heart and that is Christ Jesus. And that is what it tells us

So from today we can only see that you are the only one that can determine the timing, the season because the question was thrown at man would you be made whole?

So you can determine when God visits you because God is within you.

Visitation is already in your spirit already. Don't despise the spirit of grace and truth that lives in you and start to look out for the old system which works on probability

I can see that new system is better, is quicker, is more mercier and you don't need to depend on somebody and be....

You know

You have the gratitude for the person for life because the person is helping you demand.

That is why some people are tied to false slavery to a man of God and everything like that because it comes with it. Because you are living off, living off the grace of God on him when you can laid hold on Christ that is in you.

So we saw this man and Christ was introducing... you know is very so important that it is at that point, he had a choice to say am still going to wait at the water.

Yeah that is

So he had a choice

He could say well, I know this system is only one person that can makes it every time the angel shows up, am just going to stick to that system or yeah just tell Jesus can you wait with me to do that? You know is a choice

Or can you help me any time the angel shows up or stay with me?

And be that man for me because... but he was smarter and that is what we are saying to you today, to be smarter today at this New Year that you are in or the one you are going into, that just be smarter, that you will not wait on any man again.

You could have just say Jesus be that man and wait for me till, I'll take advantage of this grace, I'll take advantage of this and not be dependent of man, I want to determine myself. Let it be... let me determine my faith, my destiny. And I am not

going to wait. Let it be the season. Let the season be under my complete control and you know that the season has come.

But you see there is one thing that actually came to my heart when you were speaking,

You see for some people that want to say the man could had asked Christ Jesus can you tell me or can you prophesy when the angel will show up next time? And that is what some people are asking, some people are saying God don't let me miss my time of visitation. God let it be that the day you're going to show up for my situation, let be that day you would let me know which day it is so that I can be in that meeting in church.

I hope you are not praying that praying that prayer today on 31st Dec.(2016)

That is it!

Some people are praying God don't let me miss the day you are going to show up over my life in the meeting. Don't let me miss that particular meeting.

That man could have asked Jesus you know what can you give me a word about when the angel will show up? That would have been good.

So everything we said today still boil down to choices.

And you have the choice to make.

That's why we are telling you this time you have a choice to make

We've told you the consequences of each choice.

If you make the choice for the old system. Two things might will happen.

Number one you will tie your visitation to a man. For this man said the reason why am the way where am is because there is no man. The reason why am... thirty-eight years is because I have not gotten a man.

And you see there are so many multitudes and not only you.

Have not gotten the right person who is going to do the pushing for me. Have not gotten the man to show up on my behalf, have not gotten to the right ministry or the right church or the right man with the right word. You tie your visitation that way.

Secondly you will walk on probability it means then even when you get to that place, when things happen to people, it could be five out of hundred or two out of ten. So how many conventions would you have to go, how many conventions would go in your life time? How many meeting would you have to go?

Unfortunately, this man spent thirty-eight years and the probability never roll unto him. And people sing that song that, is rolling to my side! You know that song? Is rolling to my side!!

Now the question you wanna ask is, for thirty-eight years this probability is not paying up for this man. Because... thirty-eight years! and he never came to his turn even for thirty-eight years.

This system is not good.

And the bad things is that when you tie to a man, you are subjected to be... you know you are indebted and you can be abused, and that is why spoiling can come in. We see so many men of God that made some people to eat something, eat grass, so many things, even some are not even eating grass physically, but they are eating grass spiritually, psychologically, because they don't want to offend that man of God. Because that man of God, he holds the key- their season of their life. He is the man, he has the anointing. That is the choice for you today. That destiny, the choice is yours!

Would you be made whole?

You have to decide whichever system you choose, there are consequence.

Would you just determine your faith, will you determine your destiny today and taking charge, laying hold of that Christ that is in you. And says as I announce the season just as we heard last week.

Today you have to say the season of God's favour is now! Is in me. It lives in me. And that is Christ who has brought that season (**and is not dependent on**) and I lay hold on that, and I declare that every of my circumstances, situations will come unto subjection to that season which is Christ that lives in me.

That is just what Christ has come to present to this man. So don't forget this particular event in history was Jesus (who) was in contrast between the old and the new system.

And that is it.

Thank you viewers today we got notifications that the connections are weak and we got a request that if we should re-post it. We are going to do that.
